

**Before the hurricane. Before
the evacuation. Before the traffic.
Know your zone.**

Find your evacuation zone at KnowYourZoneVa.org

Know your evacuation zone!

That way, when a storm hits, you'll know if you should stay put or leave. It could stop you from being stuck in traffic in a storm – and it could save your life, too.

To find out your zone:

Go to **KnowYourZoneVa.org**
or call **211**.
